Dear Tattwa Darshi Panda,

I am happy to inform you that we have selected your poster to be presented in our conference *Frontiers in Applied and Computational Mathematics*, which is to honor the 60th Birthday of Professor Chi-Wang Shu and will be held during Jan 4-6, 2017 at Brown University. This is a high level conference with many world renowned leaders in scientific computing and numerical analysis.

Please use this letter of invitation to apply for your visa to America. We look forward to your visit. Please contact me if you have any questions.

Sincerely,
